EDITORIALS

Adjust or Adjourn—H. W. Sanders	July
Research With Scope—E. R. Hoskins	July
Indigenous Community School Program—Roy W. Roberts	July
Professional Growth and the Agricultural Education Magazine	August
The Need for Good Teaching—George F. Ekstrom	August
Agricultural Education Loses a Leader	September
Learning to Live in the World—H. M. Hamlin	September
Schools Develop a New Philosophy—M. D. Mobley	October
The Situation Is Serious—J. A. McPhee	October
A Challenging Book	October
Individualized Instruction	November
Where Do We Go From Here?—J. T. Wheeler	November
American Education Week	November
Vocational Education Becomes Popular—L. H. Dennis	November
A. V. A. Convention Program	December

The High-School Victory Corps	January
High-School Students Want Jobs	January
The Present Challenge to Agricultural Teachers—E. W. Garris	January
Ten Percent of Missouri Teachers in 20-Year Club	January
Our Job—Now and Later—Joe Duck	February
Supplementing the War-Production Program—H. M. Hamlin	February
Sarcasm—Never	February
Evaluating Our Efficiency—G. P. Deyoe	March
Vocational Aspects of High-School Agriculture Not Generally Appreciated—M. C. Gagar	March
President of A. V. A. for 1943	April
Special Editors	April
Plan for Reorganization of the Editing-Managing Board of Agricultural Education Magazine	May
War Production Training Courses—G. A. Schmidt	May
Looking at Ourselves—H. S. Brunner	June
Educating for Satisfaction in Work—W. A. Smith	June

PROFESSIONAL

Changes in the Emphasis on Certain Objectives of Vocational Education in Agriculture to Meet the Present Situation—Carrie Hammonds, The University of Kentucky	July
The War and Vocational Agriculture's Responsibility—D. M. Clements, U. S. Office of Education	July
Who Is Responsible for the High Cost of Living?—Fred H. Soxa, President, Dairymen's League, Co-operative Assoc., Inc., New York	August
High Lights of the North Atlantic Regional Conference—C. H. Lane, Federal Agent, Washington, D. C.	August
Agricultural Education at the Crossroads—R. W. Gregory, U. S. Office of Education, Washington, D. C.	September
Report of the Pacific Regional Conference—D. L. Macdonald, Federal Agent, Agricultural Education, Washington, D. C.	September
How Shall I Sell?—B. C. Ashby, Chief, Livestock Marketing, University of Illinois	October
Evacuation of Aliens and Its Effect on Vocational Agriculture—Weir Fetter, Regional Supervisor, California State Bureau of Agricultural Education	October
The Food Supply and Prices—William I. Myers, Head of the Department of Agricultural Economics and Farm Management, Cornell University	November
Some Wartime Problems of Farmers—William I. Myers, Head, Department of Agricultural Economics, Cornell University	December
The Science Needs of the Boy on the Farm—E. R. Hoskins, Teacher Education, Cornell University	December

Census Facts in War and Peace—Z. R. Pettet, Chief Statistician for Agriculture, Bureau of the Census and F. W. Lathrop, Specialist in Agricultural Education, U. S. Office of Education and E. J. Johnson, Regional Agent, Western Region, U. S. Office of Education	January
Using Feed Price Information—Herman M. Haag, Associate Professor of Agricultural Economics, University of Missouri	January
The Fertility Problem of Our Soils—W. A. Albrecht, Department of Soils, University of Missouri	February
Readjustments in Supervisory Programs to Meet the War Situation—Julian A. McPhee, Chief, State Bureau of Agricultural Education, State of California	March
The History of Agricultural Education in the United States—F. W. Lathrop, Washington, D. C.	April
Agricultural Career Education in the United States at Different Levels—1621-1942—Rufus W. Stimson, D. Ed., Supervisor Emeritus of Agricultural Education; Research Collaborator in Agricultural Education, U. S. Office of Education	May
Readjustments in Virginia's Supervisory Program to Meet the War Situation—Dorrell J. Howard, Supervisor, Richmond, Virginia	June
Readjustments in Teacher-Training Programs Necessitated by the Rural War Production Training Program—L. F. Hall, Teacher Education, Manhattan, Kansas	June

METHODS

Methods and Results—F. W. Lathrop, Specialist in Agricultural Education, Washington, D. C.	July
A Substitute for Field Trips—R. Lane Barron, Asst. State Supervisor, Austin, Texas	July
Production—C. H. Judd	July
Teaching Farm Accounting—Charles E. Wilcox, Teacher, Dunkerton, Iowa	July
Some Changes and Developments in the Teacher-Training Program in Agricultural Education—Aretas W. Nclan, Teacher Education, University of Illinois	August
Adult Farm-Machinery Repair Course—Arnold H. Hoggan, Teacher, Hyannis, Massachusetts	August
Methods of Range Sheep Improvement—Tony Fellhauer, University of Wyoming	August
Methods of Meeting Farm Labor Shortages—Harold O. Wilson, Regional Supervisor, Bureau of Agricultural Education, California	September
Student Workroom as a Teacher-Training Device—R. W. Montgomery, Teacher Education, Auburn, Alabama	September
An Analysis of Swine Project Records—Ralph E. Bender, Instructor in Agricultural Education, The Ohio State University	October
A Skills Course Offered at Montana State College—D. L. MacDonald, Assistant Supervisor, Bozeman, Montana	November
Pennsylvania Evaluates Its Local Programs of Vocational Education in Agriculture—C. S. Anderson, Teacher Education, The Pennsylvania State College	November

A Clinical Technique for the Selection and Guidance of Agricultural Education Trainees—Leigh H. Harden, Instructor in Agricultural Education and Assistant to the Dean, College of Agriculture, University of Minnesota	December
---	----------

The Importance of Vocational Agriculture Students' Keeping Accurate Farm Records—Selmer A. Engene, Assistant Professor, University of Minnesota	January
Farm Machinery Clinics for Instructors in Agriculture—Louis M. Saaman, Agricultural Supervisor, Wisconsin	January
Obtaining and Holding Attendance at Evening Classes—James B. McInnis, Teacher, Lauderdale, Mississippi	January
Selecting and Training Teachers Under the Fifth-Year Plan on a Wartime Basis—S. S. Sutherland, Teacher Education, California	February
Farm Families in Georgia Provide and Preserve Foods—T. G. Walters, State Supervisor, Atlanta, Georgia	March
The California Plan for the Training of Emergency Farm Labor—Julian A. McPhee, State Supervisor, San Luis Obispo, California	April
Program of Tracy Hunsicker—Star Farmer for Southern Region	April
Readjustments in the Teacher Education Programs to Meet the War Situation—O. C. Aderhold, The University of Georgia	May
A Student Harvest-Work Program—Herbert F. Bartlett, Teacher, West Springfield, Massachusetts	June

SUPERVISED PRACTICE

Supervised Swine Program—P. J. Holland	July
Developing a Supervised Farm-Practice Program—E. M. Ott, Instructor, Crawfordville, Arkansas	July
A Successful Project—Sow Testing—E. F. Ferrin, Professor of Animal Husbandry, University of Minnesota	August
A Supervised Farming Program in Action—Robert E. Price, Teacher, Graham, Kentucky	August
Credit for the Supervised Practice Program—J. B. McInnis, Teacher, Lauderdale, Mississippi	August
Follow-up Program in Vocational Agriculture—John G. Glavin, State Supervisor, Massachusetts	September
Star Farmer Has Good Practice Program—R. E. Young, Teacher, Prospect, Ohio	September
Supervised Practice That Develops Farmers—R. J. Bishop, Teacher, Powell, Wyoming	September
Supervised Practice Programs Assist in Establishment in Farming—Henry M. Davis, Teacher, Berryville, Virginia	October
Adults Plan to Meet Production Goals—R. L. Barron, Assistant Supervisor, Austin, Texas	October
Principal, Hughesville, Maryland	October
Methods of Setting Up Projects—C. R. Rabb, Teacher, Hillsboro, Texas	October
Setting Up Sound Farming Programs—W. E. Stuckey, Critic Teacher, Ohio State University	November
Instruction for Victory—T. M. Oakley, Teacher, Cleveland, Tennessee	November
Long-Time Farming Programs—W. T. Reese, Instructor, Seymour, Wisconsin	December
The Use of Farm Surveys in Developing Farming Programs—B. R. Dugdale, Instructor, Stanley, Wisconsin	December
Project Visits in Wartime—Nelson M. Cook, Teacher, Bourbon, Indiana	December

Florida's Farm Forestry Program—William F. Jacobs, Assistant State Forester, Tallahassee, Florida	January
The Kentucky Sheep Program—W. R. Tabb, Teacher Education, University of Kentucky	February
The Conference Procedure in Teaching War Production Courses—G. A. Schmidt, Teacher Education, Colorado State College	February
The Success of the Supervised Practice Program Depends on the Teacher—Kenneth Diehl, Teacher, Lovington, Illinois	March
The Place of Goals and Standards of Production in Developing Programs of Supervised Farming—George P. Deyoe, Teacher Education, Michigan State College	April
Is Long-Time Farm Practice Planning Practical?—H. M. Hamlin, Professor of Agricultural Education, University of Illinois	May
How to Get Students Into Supervised Practice Programs—W. R. Bryant, Teacher, Canton, South Dakota	May
Supervised Project Program—C. N. DeHart, Teacher, Greenville, Illinois	May
Analysis of Hog Project Records—W. Leslie Newport, Instructor, Kansas, Illinois	June

INSTRUCTION IN EVENING CLASSES

Farmer's Evening School Is Fun—E. W. Rowley, Teacher, Chicago Heights, Illinois	July
Some Things I've Learned—W. P. Smith, Teacher, San Luis Obispo, California	July
The Out-of-School National Defense Training Program in Kansas—M. R. Wilson, Assistant State Supervisor, Topeka, Kansas	August
Co-ordinating Evening Schools and All-Day Classes in a Dairy Section—Harold E. Cushman, Teacher, Peacham, Vermont	August
Functional Education Prepares Rural Youth—Frances Hartung, Instructor in Home Making, and Gordon R. Stien, Superintendent of the Dunn County School of Agriculture, Menomonie, Wisconsin	September
A County-wide Farm Machinery Repair Program—Thomas H. Blow, County Agent, Caledonia County, Vermont	September
From Where They Are to Where They Want to Be—H. H. Byram, Teacher Education, East Lansing, Michigan, and T. H. Kerrey, Supervising Teacher, Olivet, Michigan	October
Experience With Defense Training Classes—Otto W. Fino, Teacher, Clare, Michigan	November
Can an Adult School Succeed in My Community?—Keith McGuire, Teacher, Forreston, Illinois	November
The Development of Community Services Thru Evening-School Programs—E. R. Alexander, Specialist in Agricultural Education, U. S. Office of Education	December
Building Evening Classes on Farm and Home Problems—Fredric D. Morris, Rushford, New York	December

Factors Which Contribute Toward Regular Attendance in the Comprehensive Adult Schools—R. L. Amesberry, Instructor, Harlan, Iowa	January
Organising an Evening School to Meet Wartime Needs—J. R. Stierwalt, Teacher, Leon, Iowa	February

Adult Education in Agriculture, 1942-43—H. M. Hamlin, University of Illinois.....	March
Will We Keep Pace With Adult Education?—W. A. Smith, Teacher, Education, Cornell University.....	April
Helping With the Farm Labor Problem—L. T. Clark, Teacher, Olney, Illinois.....	April
Georgia Communities Dehydrate Foods—T. G. Walters, Supervisor, Atlanta, Georgia.....	May
Project Selection and Planning—H. B. Hanson, Teacher, Redfield, South Dakota.....	May
Adults Profit From Field Trips—R. M. Carter, Instructor, Vermont.....	June
An Expanding Adult Program—R. H. Young, Teacher, Middlebury, Vermont.....	June

INSTRUCTION IN PART-TIME CLASSES

Year 1942	
Tours for Young Farmers—C. L. Miller, Teacher, Eppe High School, West Carroll Parish, Louisiana.....	July
Year 1943	
Factors Contributing to the Popularity of Rural Defense Training Classes—E. B. Knight, Associate Professor of Agricultural Education, University of Tennessee.....	January
Randolph Young Farmers Co-operatives, Inc.—M. G. Via, Instructor, Farmville, Virginia.....	February
Vocational Agriculture and the Part-time Farmer—A. R. Sabin, Teacher, Goshen, Indiana.....	May
Young Farmers Improve Dairy Herds—Oscar A. Kimmel, Teacher, Millersburg, Pennsylvania.....	May

INSTRUCTION IN FARM MECHANICS

Year 1942	
Co-operation in the Repair of Farm Machinery—George E. Webster, Assistant to the Supervisor (OSY), Burlington, Vermont.....	July
Farm Shop Adapted to Current Community Needs—Marvin Stocking, Teacher, Tipton, Oklahoma.....	July
The Farm Shop in a Rural Community—D. Lawrence Glick, Instructor, Millboro, Virginia.....	July
The Place of Farm Shop in Vocational Agriculture—H. J. Watson, Teacher, Fredonia, Kentucky.....	July
Farm Machinery Repair Program for Evening Schools—D. P. Brown, Instructor, Ripley, West Virginia.....	August
Repairing Farm Machinery—D. N. Bottoms, Teacher Education, Auburn, Alabama.....	August
Evening School in Farm Shop—Adrian Gamble, Teacher, Postville, Iowa.....	September
A Continuous Evening Class Program—Samuel F. Simmons, Teacher, Maytown, Pennsylvania.....	September
A Threefold Agricultural Defense Program in Farm Mechanics—W. C. Dudley, Teacher, Appomattox, Virginia.....	October
Getting Out of the Shop Rut—Floyd M. Smith, Teacher, Riley, Indiana.....	October
Farm Mechanics Training Courses for Idaho Instructors—H. A. Winner, Teacher Education, Moscow, Idaho.....	October
Executing a Farm Machinery Repair Program—Glenn Bresler, Teacher, Hollidaysburg, Pennsylvania.....	November
The Responsibility of the OSYA Courses—Lester B. Pollom, Topeka, Kansas.....	December
Future Farmers Collect Scrap Iron—John H. Gashwiler, Teacher, Moravia, Iowa.....	December
Boys Make Cotton Dusters in Vocational Agriculture Shop—R. Lano Barron, Assistant Supervisor, Austin, Texas.....	December
A. V. A. to Meet in Toledo.....	December
Year 1943	
Rural War Production Training and the War Effort—G. C. Cook, Special Representative Rural War Production Training, U. S. Office of Education.....	January
Why Not Build a Trailer?—Lester B. Pollom, State Supervisor, Topeka, Kansas.....	February
Establishment in Farming—Its Future—C. L. Kutil, Instructor, Antioch, Illinois.....	February
An Individual Program for the Farm-Shop Student—R. J. Woodin, Supervising Teacher, Department of Agricultural Education, Ohio State University.....	February
Development and Operation of the Farm Shop—Alvine Kline, Teacher, Bridgewater, Virginia.....	February
Relationships Between Teachers of Vocational Agriculture and Organizations Interested in Farm Equipment—D. C. Sprague, Pennsylvania State.....	March
Teaching Women to Maintain and Operate Farm Machinery—Allen C. Weber, Teacher, Marshall, Minnesota.....	April
Organizing and Conducting OSYA Courses—L. M. Sasman, State Supervisor, Madison, Wisconsin.....	May
A County-wide Farm Machinery Repair Program—J. N. Baker, Assistant Supervisor, Swainsboro, Georgia.....	June

STUDIES AND INVESTIGATIONS

Year 1942	
Problem Solving by Two Methods: the Philosophic and the Scientific—Part I Gilbert L. Betts, Colorado State College of Agriculture and Mechanic Arts.....	July
Problem Solving by Two Methods: the Philosophic and the Scientific—Part II Gilbert L. Betts, Colorado State College of Agriculture and Mechanic Arts.....	August
Rural Youth's Occupational Choice Versus the Census—E. B. Knight, Teacher Education, University of Tennessee.....	September
What Can We Do To Help Win the War?—Henry Rose, Teacher Education, Texas A. & M. College Station.....	September
The Montana Farm Mechanics Program—W. J. Welker, Montana State College.....	October
The Montana Farm Shop Program—W. J. Welker, Montana State College.....	November
The Montana Farm Mechanics Program—W. J. Welker, Montana State College.....	December
The Community Survey and the Agricultural Program—L. Max Wills, Teacher, Waitsburg, Washington.....	December
Year 1943	
An Evaluation of the Participating Experiences in the Pre-Service Professional Training Program of Teachers of Vocational Agriculture at Ohio State University—Ralph E. Bender, Instructor in Agricultural Education, Ohio State University.....	January
Availability of Research—Ray A. Murray, Plattville, State Teachers College, Plattville, Wisconsin.....	February
A Youth Survey Suggests Program Changes—R. L. Amsherry, Teacher, Harlan, Iowa.....	March

What Becomes of Vocational Agriculture Students?—J. M. Hill, Teacher, Tulla, Texas.....	March
The Teaching of Rural Law by Vocational Teachers in Pennsylvania—Samuel F. Simmons, Teacher, Maytown, Pennsylvania.....	April
Common Spelling and Grammatical Errors Found in Project Record Books—C. S. Anderson, Teacher Education, Pennsylvania State College.....	April
The Eight-Year Study and Its Implications for Agricultural Education—Harold Alberty, The Ohio State University.....	May
Opinion of Supervisors on Farm-mechanics Content—L. J. Hayden, Teacher, Wellsboro, Pennsylvania.....	May
The Eight-Year Study and Some of Its Implications for Vocational Agriculture—George P. Dayoe, Teacher Education, East Lansing, Michigan.....	June

FUTURE FARMERS OF AMERICA

Year 1942	
Future Farmers Repair Farm Machinery—A. L. Morrison, Subject-Matter Specialist, Auburn, Alabama.....	July
F.F.A. Chapter Has Well-Balanced Program—Tal H. Stafford, District Supervisor, Asheville, North Carolina.....	July
F.F.A. Brings New Crop to Kentucky—Ivan Jett, Executive Director of Mid-South Chain Store Council.....	July
Hollister Future Farmers Organize Feed Co-operative—Harold Stoker, Adviser Hollister, California.....	July
F.F.A. Chapter Raises Money—R. Lano Barron, Assistant Supervisor, Austin, Texas.....	August
War-time Goals in Livestock Production for Future Farmers—J. I. Thompson, California.....	August
Future Farmers Honored at Florida State Fair—J. F. Williams, Jr., Tallahassee, Florida.....	August
F.F.A. Chapter Solves a Part-Time Farming Problem—R. M. Kirkbride, Adviser, Sufield, Ohio.....	August
Participation in F.F.A. Activities—H. D. Garver, Adviser, Meriam, Kansas.....	September
F.F.A. Boys Serve Farmers—L. Morrison, Subject Matter Specialist, Auburn, Alabama.....	September
Factors for Success in a Dairy Production Project—C. Y. Cannon, Iowa State College, Ames, Iowa.....	September
Purebred Sheep Project—Lewis Jones, Teacher, Creston, Iowa.....	September
Fort Collins F.F.A. Boys are Helping to Win the War—G. A. Schmidt, Teacher Education, Colorado State College.....	October
Idaho F.F.A. Fat Stock Show—H. A. Winner, Agricultural Education, University of Idaho.....	October
Future Farmers Sponsor Potato Improvement Program—Clarence E. Bundy, Teacher, Iowa Falls, Iowa.....	November
Future Farmers and the War Effort—R. L. Cunningham, Instructor, Bradenton, Florida.....	November
A Future Farmer Quis—A. W. Tenney, Teacher Education, Gainesville, Florida.....	December
Collegiate Group Helps Develop Active Chapters—R. W. Cline, Teacher Education, Tucson, Arizona.....	December
Year 1943	
Mississippi F.F.A. in War Work—A. E. Strain, Executive Secretary, State College, Mississippi.....	January
Future Farmers Improve Livestock—W. B. Mayfield, Teacher, East Tupelo, Mississippi.....	January
F.F.A. Does the Job—C. O. Evans, Jr., Teacher, Centertown, Kentucky.....	January
What Are the F.F.A. War Aims?—J. F. Higgins, Teacher, Ft. Meade, Florida.....	February
Public Relations, or Informing the Public—Fred D. Trammell, Adviser, Bagdad, Kentucky.....	February
The Star Farmer of America.....	March
Machinery Repair—a Basis for Improved Economy—J. H. Pownall, Teacher, Rush, Pennsylvania.....	March
Chapter Profits With Pigs—Frank A. Buchanan, Adviser, Mt. Jackson, Virginia.....	March
Save a Life for the War Effort—Harold L. Kugler, Adviser, Manhattan, Kansas.....	March
Non-farm Youth in Wartime Food Production—F. W. Lathrop, Specialist in Agricultural Education, Washington, D. C.....	April
War Conditions Require Changes in Program—G. R. Brown, Teacher, Pearl City, Illinois.....	April
F.F.A. Chapter Grows Poultry and Buys Bonds—R. J. Woodin, Teacher, Hilliards, Ohio.....	April
A Co-operative F.F.A. Market—Charles D. Carey, Teacher, Williamsport, Pennsylvania.....	May
Let's Work Together—S. C. Hulslander, Specialist in Agricultural Education, Washington, D. C.....	June
Vermont Future Farmers in the War Effort—Ralph H. Granger, Executive Secretary.....	June

BOOK REVIEWS

Year 1942	
Permanent Agriculture—A. P. Davidson.....	July
How to Speak Effectively—A. P. Davidson.....	August
Farm Management & Marketing—A. P. Davidson.....	August
The Story of Meat—A. P. Davidson.....	October
Animal Sanitation and Disease Control—A. P. Davidson.....	November
Field Crops Management—A. P. Davidson.....	November
Year 1943	
Farm Machinery—A. P. Davidson.....	March
Breeding Farm Animals—A. P. Davidson.....	March
Field Crops and Land Use—A. P. Davidson.....	March

PICTURES

Year 1942	
Hogs are carefully weighed.....	July
Members of evening class grow excellent hogs.....	July
F.F.A. boy and his championship calf.....	July
High-school boys receive a carload of feed steers.....	July
Teaching boys to adjust farm machinery.....	July
Farm Machinery to repair.....	July
The job completed.....	July
Feeder calves owned by Franklin F.F.A. Chapter.....	July
Team of horses owned by Franklin F.F.A. Chapter.....	July
OSY class in tractor, truck and automobile operation, care and repair.....	August
Wellington, Kansas, boys repair a tractor.....	August
High-school boys supervising Jr. Dairy Herd Improvement Association testing.....	August
Farmers in evening school reassembling a grain drill.....	August
Future farmer egg exhibit at the Florida State Fair.....	August
High-school students pitch in to help solve the rubber shortage. They are setting guayule seedlings.....	September
High-school labor hoeing lettuce. This district ships out 20,000 carloads of Iceland lettuce annually.....	September

High-school students loading lettuce at Salinas, California.....	September
Rural youth working at their problems.....	September
Kenneth Moon and his cows.....	October
Boys overhauling cultivator.....	October
Repairing a spring-tooth harrow.....	October
Shopwork.....	October
Shop Activity.....	October
Mickey Fraker's steer.....	October
F.F.A. boys getting animals ready for show ring.....	October
Vincent Stagnaga.....	October
Treating pigs for roundworm.....	November
Lynne Geiger and part of his herd of 60 purebred hogs.....	November
Welding was a popular part of the O. S. Y. training course.....	November
A young farmer checks mowing machine for loose parts.....	November
Co-operators call at the cars for seed potatoes.....	November
Chapter members treating potatoes.....	November
Girls working for defense.....	November
F.F.A. boy enonizes cockerels.....	December
Farmer uses one of the dusters made by vocational boys.....	December
J. H. Greenway and the cotton duster he and his boys made.....	December

Year 1943

Members of a farm machinery repair clinic for instructors in vocational agriculture held at Marshfield, Wisconsin.....	January
Future Farmers preparing a pine seed bed.....	January
Future Farmers planting pine seed.....	January
Robert Simpson, member of the Lafayette Chapter F.F.A. with his flock of crossbred Western ewes.....	February
Walter Porter making use of his trailer.....	February
Future Farmers produce hogs for Victory.....	February
F.F.A. boys grow vegetables.....	February
Canning Plant, Douglas County, High School.....	March
Canning Plant, Tucker High School.....	March
Canning Plant, Bowdon High School.....	March
P. L. Elkins, Teacher of Vocational Agriculture, Alpharetta High School, Fulton County, demonstrating to students of agriculture the proper method of cutting meat for canning.....	March
John Casteel and his prize hogs.....	March
John Willoughby with his sheep.....	March
Robert Wildman looks over his hogs.....	March
Bob Oathemer, a student in vocational agriculture at Iowa Falls, Iowa, with his litter of 12 pigs, which weighed 516 lbs. at 56 days of age. Litter weight at 56 days has been found to be a good criterion of productive efficiency, and the litter shown has made an exceptionally good showing.....	April
Iraff Ofill, Williamston, Michigan, former student of vocational agriculture, with the breeding flock and lambs which he owns in partnership. The flock of 34 ewes had lambing percentages of 176 and 161 in 1941 and 1942, respectively. Furthermore, the lambs made fast gains and graded high when marketed.....	April
The women were given lessons in operating tractors.....	April

The women learn to make minor adjustments and otherwise maintain tractor and other farm machines.....	April
Dehydration unit inside community dehydrator plant at Clarksville.....	May
Miss Lili Baldwin, home economics teacher, Clarksville, examining trays of peaches ready to go into the dehydrating plant.....	May
L. E. Nichols, agriculture teacher, Clarksville, with a bushel of peaches before and after dehydrating. Weight, before, 50 lbs.; after, 5 lbs.....	May
Instructor Sam Martin, left, is explaining to Art Maher how his corn planter may be repaired. A fertilizer attachment will be added to this machine.....	May
Instructor Sam Martin is helping Fred Falde and his son Harlan assemble the clutch in their 15-30 tractor. Harlan is an American Farmer and expects to use the completely exhausted machine on his farm.....	May
F.F.A. Market.....	May
Students help with silo filling.....	June
Students help with apple grading and packing.....	June
Repairing farm machinery.....	June
Forging repair parts.....	June
Farmers repair tractors.....	June
Farmers make useful farm equipment.....	June

MISCELLANEOUS

Year 1942

Culture in Agriculture.....	July
Teaching Soil Conservation—M. J. Langfitt, Teacher, Shenandoah, Iowa.....	August
Schools Can Do the Job—Paul V. McNutt.....	August
News Service for Teachers.....	September
Nolan Screenings.....	September
Dr. A. W. Nolan Retires.....	September
Nolan Screenings.....	October
Nolan Screenings.....	December
A Recipe for a Good F.F.A. Chapter.....	December

Year 1943

Rubber.....	January
Facts From the 1940 Census.....	January
U. S. Census Data.....	February
Cotton.....	March
Hemp.....	March
Service to Educators.....	March
A Pennsylvania Agricultural Teacher Cycles to Work.....	March
1942-43 National Officers of F.F.A.....	March
New Business Manager.....	April
New Constitution.....	April
F.F.A. War Activities.....	April
